**AURORA OZONE HOTEL
KANGAROO ISLAND**

KANGAROO ISLAND

Today you can still step outside onto the unspoilt beach and enjoy the clean, fresh and invigorating sea breeze you can experience when staying at the historic Aurora Ozone Hotel, located directly on the foreshore of one of South Australia's most pristine coastlines and the only boutique hotel in Kingscote.

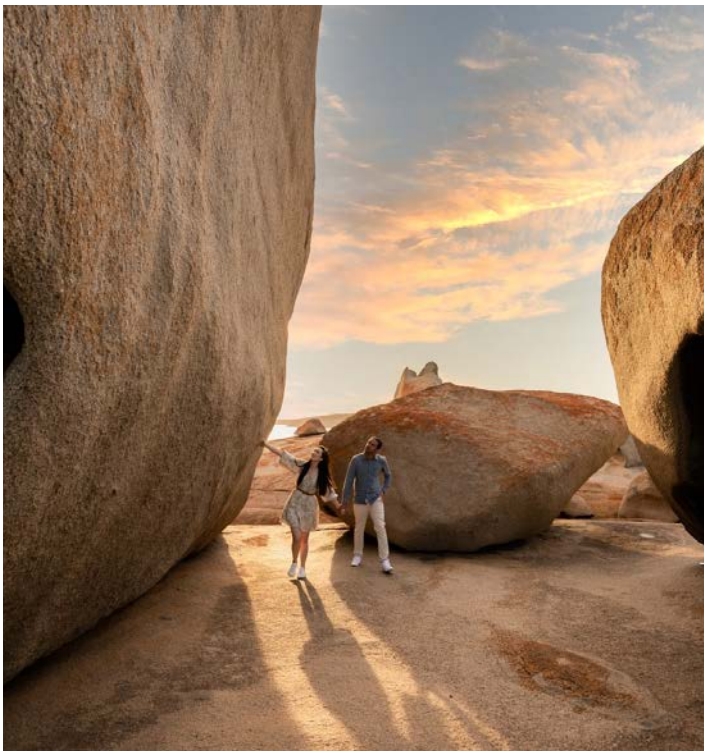

Your experience starts with your journey, either via a direct flight with QantasLink from Adelaide or via a short ferry ride across the Backstairs Passage where you can enjoy spectacular views of Kangaroo Island and the South Australian mainland.

Recently declared by the New York Times as one of the top 7 places to visit in the world, Kangaroo Island is an inspiring and unique destination unlike any other which will leave you wanting for more.

From the awe inspiring Admirals Arch and Remarkable Rocks to Stokes Bay, voted Australia's best beach, swimming with the dolphins along the coastline and watching seals frolicking at Seal Bay, our unique destination has no shortage of options. Fancy a round of golf overlooking the Great Australian Bight (coming in 2024), partake in a gin tasting at the islands only gin distillery, a local beer flight, visit one of the numerous vineyards or take a coffee roasting masterclass – the choices are endless.

The Aurora Ozone Hotel offers a wide range of contemporary accommodation options, restaurant and bar facilities. 75 guest rooms, many recently refurbished, will cater for your accommodation requirements. Two flexible function rooms and a private bar which all feature floor to ceiling windows overlooking Nepean Bay with endless water views stretching to the horizon. Specialising in conference and corporate events for up to 120 guests we are the ideal location for your next business meeting, conference, incentive group or retreat.
